Good2Go vs. Apple Jack
August 24, 2001**

Appeal Request:

1. Good2Go has entered an appeal, to a Protest Hearing held at the Cobourg Yacht Club on June 27, 2001, to hear a protest from the CYC Wednesday series #1, June 13, 2001.
2. The results of this Protest hearing were that the Protest Committee, on the basis of the facts and diagram developed by the Protest Committee, disallowed the Protest. The Protestor (Good2go) believes that the Protest Committee made an error in their decision.

Appeals Committee Response:

- (a) After considering all the provided information the Appeals Committee is concerned that all the evidence and facts required for a complete hearing may not have been developed and considered by the Protest Committee Under RRS 63.6. at the time of the hearing.

Appeals Committee Decision:

The Appeals Committee is returning Appeal OSA2001-01 to the Cobourg Yacht Club to have the hearing re-opened. The required re-hearing is to include a majority of the Protest Committee and in addition should include a CYA certified Judge who will be provided once the date and time are known.
