

**Appeal OSA2002-07  
JuJube vs. Race Committee  
Bronte Harbour Yacht Club--Sunday Series Sept 15/02  
Final Decision November 5, 2002**

**Appeal Request:**

(1) The appeal request is based on a rules interpretation by the BHYC Protest Committee.

(2) The appellant disagrees with the committees redress ruling, interpretation and conclusions.

**Situation and Protest Committee decision**

JuJube filed a request for redress and the BHYC Protest Committee decided that the races in question were to be reviewed and re-scored as necessary to comply with the Organizing Authorities conditions for the race.

**Appeals Committee Response:**

(a) The Protest Committee's decision is based on what they determined to be the facts of the request for redress. These facts could change, depending on the outcome of the re-hearing of the original protest between JuJube and Pagan.

(b)The Appeals Committee has concluded that there seems to be a lot of problems with this race and its organization at BHYC and we therefore have decided to include this Appeal with the rehearing of Appeal #6 which involves all the same boats and concerned individuals.

**Appeals Committee Decision:**

This Appeal is Deferred, and the BHC Protest Committee is directed to consider this Appeal with the rehearing of OSA Appeal #6.

This will require two separate re-hearings hopefully on the same day.
